

## ABOUT US

Nishiwaga High School was established as a branch school in 1948 and became independent as Nishiwaga High School in 1972. It is located at the westernmost point of Iwate Prefecture. Nestled in the Ōu Mountains, our students thrive in a natural setting, enjoying a lively and fulfilling school life.

Many students are actively engaged in collaboration with the local community.

## SCHOOL POLICY

We aim to nurture students with the following qualities:

- Students who value learning and study with enthusiasm;
- Students who respect themselves, care for others, and cooperate well; and
- Students who like to engage with the local community and imagine the future.

## Study-abroad program

To deepen global understanding and prepare to actively engage in a global society, we offer a short-term study program in Sydney, Australia. This experience helps the students gain an international perspective and develop the skills needed to navigate and succeed in an increasingly interconnected world.

## Our Speciality

### DEVELOPING SKILL

Students engage in lessons tailored to their understanding in small classes.

### BE A CREATIVE THINKER

Students are engaged in research activities while considering the future of society.

### BE A HARDWORKER

Students think for themselves and take on challenges by utilizing their unique personalities.

## Club Activities

Our school has six clubs: **Baseball, Rowing, Track and Field, Badminton, Art, and Band.** Each student can use their strengths and talents to actively participate in these activities. Through club involvement, students not only develop skills but also build friendships and contribute to our school's lively community.
